
8bit Invasion Download For Pc [hack]

Download ->->-> <http://bit.ly/2JWtFs0>

About This Game

This game has everything that the old games of Martians had, It's possible to play alone or with someone on the same computer. You start with 3 lives per ship and the easiest level, once you complete one level, you go forward to the next level, with increased difficulty at each level.

What to expect:

- Possibility of playing alone or local coop
- A lot of levels with increased difficulty
- Good retro graphics respecting the past games.
- Scores for each player

TRADING CARDS COMING SOON

How to play:

- S to join player 1

-K to join player 2

-A and D to move left and right (player 1)

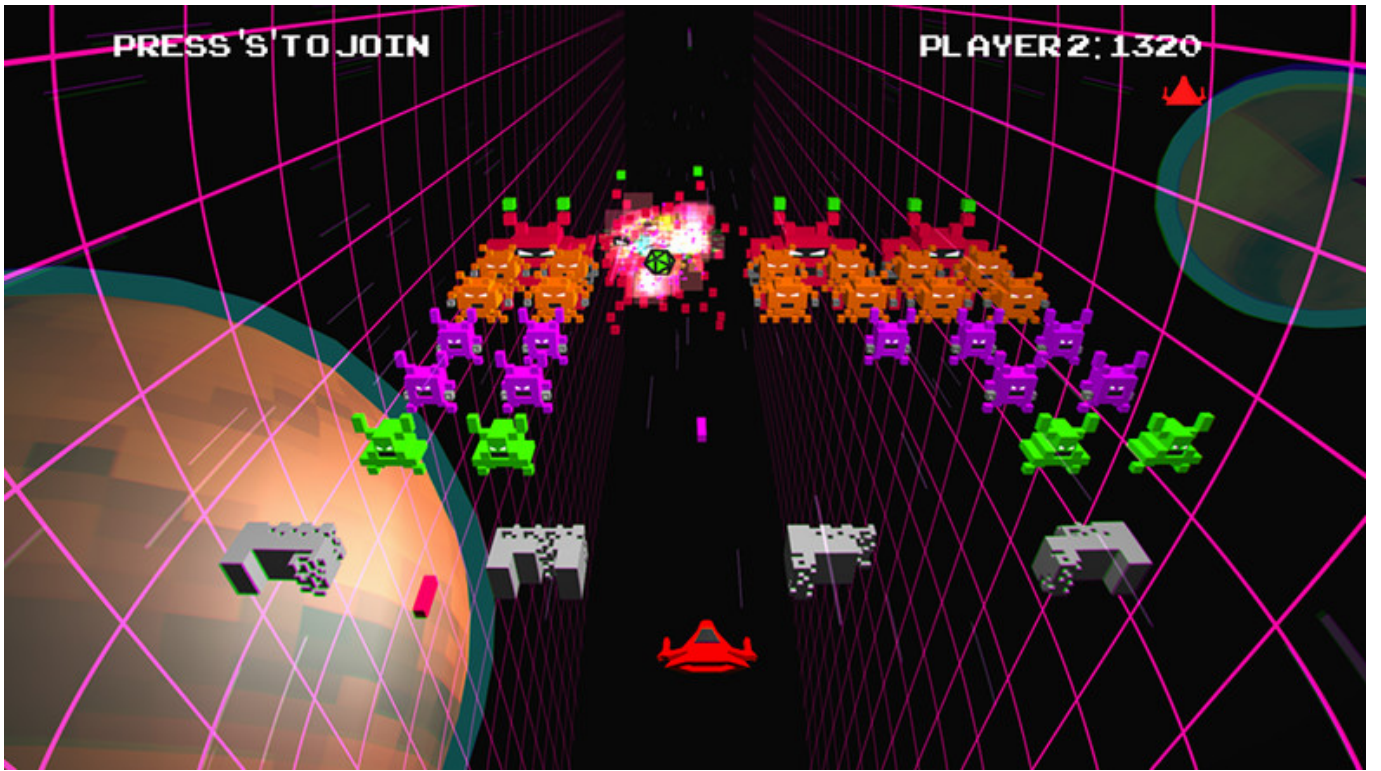

-J and L to move left and right (player 2)
